Dear Mr. Aronson,

I reply to your letter of March 26th 1969.  
I am in correspondence with Dr. Joshua Lederberg and concerning  
the first project I am in complete agreement with him - and  
extremely grateful to him. I will agree to any formal  
agreement with you which he advises.

Concerning my husband's unpublished work  
the most important, being the scientific, is the property  
of Mr. S. D. Jayakar, M.Sc.,  
Istituto Di Genetica,  
Universita Di Pavia,  
27100 Pavia, Italy.,

and I suggest that you write to him directly.

Yours sincerely,

Mr. Michael A. Aronson,  
Assistant Director,  
Indiana University Press,  
Tenth and Morton Streets,  
Bloomington, Indiana 47401.
